## How do I set-up my parent portal account?

All portal accounts require a 1-time activation to create your ID and password. You must be a parent/guardian of a current FCS student to activate an account.

To verify identity, you will be asked to provide the following information about 1 student in your household:

- Student first and last name (as entered on birth certificate)
- Student ID number
- Student Date of Birth (MM/DD/YYYY)
- Student grade level (21-22 grade level)

To set-up your account, please enter your email here:

If you are asked for a one-time activation code, you can obtain that from the Data Clerk at your child's school.
